PTSA Fine & Performing Arts Society

The Mission of the **Fine and Performing Arts Society (FAPAS)** is to provide financial and volunteer support to the Art, Music, and Drama programs at LHS. While the basic needs for these departments are funded by Fairfax County, your financial support and involvement are necessary to **enhance these vital programs and enable students to benefit from enrichment experiences in the arts.**

Contributions are 100% tax deductible and your support will be acknowledged in our programs throughout the year. Many employers offer matching contributions for educational and cultural contributions, and we will gladly process the forms for you.
